Ballari, Karnataka | +919008637087 | mdsohil1802@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFILE

Motivated and adaptable Computer Science Graduate with a passion for creating innovative software solutions. Proficient in designing interactive applications and solving complex problems through logical thinking and technical expertise. A quick learner and collaborative team player, eager to contribute to impactful projects and grow in a dynamic work environment.

SKILLS

- Programming Languages: Java, JavaScript
- Web Development: HTML, CSS, Responsive web Design, React, Node.js, Express.js, REST
- Database Management: SQLite, MySQL, MongoDB
- Development: OOP (Object-Oriented Programming), SLDC, Data Validation, CRUD Operations, Unit Testing, Agile
- Tools & Platforms: Version Control (Git, GitHub), IntelliJ IDEA, Eclipse, VS Code, Linux, QA
- Soft Skills: Problem-Solving, Collaboration, communication, Continuous Improvement

PROJECTS

Urban Gent E-commerce Web App [🔗](#)

December 2024 - January 2025

Tools Used: MERN Stack (MongoDB, Express.js, React, Node.js)

- Developed a men's fashion e-commerce platform with a focus on seamless shopping and modern user interface.
- Designed a dynamic homepage, detailed product catalog, and user authentication system.
- Implemented a streamlined checkout process with address collection and cart management.
- Ensured a responsive design for compatibility across multiple devices.
- Built a scalable architecture to support future enhancements and higher user demand.

User Info Manager [🔗](#)

Tools Used: Java, Java Swing, SQLite, SQL

September 2024 – October 2024

- Developed a desktop application to manage user data with CRUD functionality.
- Designed an intuitive user interface using Java Swing, ensuring a seamless data entry experience.
- Implemented data validation checks to ensure accuracy and handle errors effectively.
- Integrated SQLite for efficient local database management, enabling smooth storage and retrieval of user information.

EDUCATION

Bachelor of Technology (Computer Science & Engineering)

Presidency University, Bengaluru.

COURSES

Full-Stack Development – UpGrad

CERTIFICATION

- **Java Fundamentals** – Udemy | February 2024
- **SQL** – Udemy | September 2024
- **Software Engineering and Agile Software Development** – Infosys Springboard | February 2024
- **JavaScript** – Udemy | May 2023
